STACK/VENT INFORMATION

Use this form to summarize additional information for the stacks and/or vents identified on FORM GSD-02, PLANT LAYOUT. The identification numbers must correspond to the numbering used for FORM GSD-02. Missing or inconsistent information will delay the application review and could result in permit denial. [This form for construction permits or non-permitted sources only]

S/V ID#	Stack Type	Stack Height	Stack Shape	Stack Dimensions	Max. Flow Rate	Est. Stack Gas Temp.	Related S/V Numbers
1	2	3		5	6	7	8
